Others (please explain) _____

Enclosures to the application form (please tick to confirm):

- Recording of a live performance by the group, at least 20 minutes long, in wave or aiff format
- Studio-recording of the group in wave or aiff format (optional, if available)
- Intended competition programme (title, composer, arranger)
- Biography of the group, in English and also – if possible – in German (digital on CD-ROM and as a print-out)
- Recent photograph of the group with copyright notice (digital on CD-ROM and as a reprint)
- Copies of the ID of each ensemble member (e.g. passports or identity cards)

No fees shall be paid for any performances by competition entrants during the Festival of Vocal Music 'a cappella', including for the performance by the award-winner during the final concert. The organisers reserve the right to make audio and/or video recordings of all the events taking place during the competition and to use these recordings in connection with the competition. Competition entrants shall not be entitled to receive royalties or any other form of remuneration in connection with these recordings. Prize-winners agree to their inclusion free of charge on any live recordings produced during the festival and subsequently released.

The ensemble acknowledges with its signature to have read and accepted the conditions of participation as can be read on the contest's website (www.a-cappella-contest.com).

Place, date

Signature of the ensemble's representative
